**Subject:** pebble concurrence memo

**Importance:** High

Kevin – as Rich said in his note to you earlier, we have a concurrence memo in the settlement that will need to be signed tomorrow. It is set up to be from me, allyn and John Goodin to you, Michele and Mike.

I have attached what I would describe as a penultimate draft – redline is my changes on a draft circulated to the region and OW this afternoon. Heidi is inputting their changes and will have a final draft in the morning, but sending to you this evening in case your ability to look at things tomorrow is limited and to see if you have any big picture reactions and in order to highlight one important issue we need your input on.

The issue is:

**Ex. 5 - Deliberative Process**

**Ex. 5 - Deliberative Process**

**Ex. 5 - Deliberative Process**

**Ex. 5 - Deliberative Process** If you have any concerns, we should discuss. My work phone will ring the cell. Available until 11 tonight or in the morning.

**Ex. 5 - Attorney Client - Deliberative Process**
